Retirees Report Activities

CHRISTOPHER E. HOLZWORTH, retired vice president, recently underwent surgery. He is now recuperating at his home—275 Applewood Lane, Bloomfield Hills, Mich. President Harry B. Cunningham sent a letter to the stores and offices inviting Mr. Holzworth's many Kresge friends to send get well cards and letters.

RUDOLPHINE SMITH, Syracuse, N.Y., former employee at Kresge 172, Washington, D.C.

"For some time since I retired from 172, where I managed the music department from 1945 to 1961, I have wanted to write about my retirement activities. We had a piano in our store which I played quite a bit, and records and all the things one carries in a record shop. I really enjoyed my work in the store and met many customers, many of whom became my friends.

"I still have the parrot which many people at the store got to know. Many people marvel at his vocabulary. I have had him for over 42 years. When my husband was living, we took him with us when we traveled all over the country. So he is quite a pet.

"I am still enjoying my music. I have a grand piano and an electric organ, so I spend many happy hours losing myself in my music. It is a wonderful gift. I am a musician and have played since I was seven years old. I also can play an accordion.

"I have many fond memories of my years spent at 172."
